

SINCE ITS INCEPTION IN 1994, INK! HAS GRANTED NEARLY \$7,500,000 to help fund underserved public schools in St. Johns County. In 2018 alone, we allocated more than \$650,000 to fund more than 75 projects. More than 81% of the funds we raise go right back into the classroom, making INK! one of the most efficient and effective non-profits in the region.

We're excited to be the Official Charity Partner of the 2021 PXG Women's Match Play Championship. At its heart, the overall tournament week is about creating opportunities, and so is INK!. Your Financial Investment is an Investment in Kids, INK!.

We invest in students and teachers within the St. Johns County School District. We invite you to invest along with us and we promise to be exceptional stewards of your contribution.

The Mission of PXG Women's Match Play Championship is a collaboration with Generation W to shine a light not only on the developmental level of women's professional golf, but also about women's initiatives and empowerment in the board room, in the community and in sports.

Investing in Kids (INK!)

As a 501(c)(3) non-profit, INK! leads efforts to directly benefit the educators and students within the St. Johns County School District. Our programs and events strive to provide the tools and resources that are necessary to help each child reach their full potential. Since 1994, Investing in Kids (INK!) has led the effort to cultivate success for students and teachers through funding, initiatives, and inspiration.
